

OMNIBOAT

(WHY YOU SHOULD BUY US A SPEEDBOAT)

FOR ALL OF HISTORY, RESPONSIBLE PRODUCERS HAVE HAD TO CHOOSE BETWEEN BUYING A SPEEDBOAT AND FINANCING AN INDEPENDENT FILM.

UNTIL NOW.

Today, for the first time ever, you have the opportunity to do both.

OMNIBOAT

is a feature film comprised of an interconnected series of shorts by the most #relevant independent filmmakers of today and tomorrow, tied together by their desire to hang out in Miami (in a really fast boat).

Buying this boat is not for the faint of heart. This is for the visionaries, the dreamers, the true freedom seekers.

We all know that film is a risky investment, and producers are sometimes left with nothing but resentment, a mediocre/boring product, ruined interpersonal relationships, and some lame distribution deal.

But even in this worst-case scenario, you will still have purchased a sick speedboat- *what other venture can claim such a consolation prize?*

CREATIVE AND FINANCIAL COMPARISONS

The background image shows two speedboats on a body of water during sunset. The sky is a mix of orange, red, and yellow, reflecting on the water. In the distance, a city skyline with several tall buildings is visible. The boat in the foreground is dark-colored with 'DONZI' written on its side. The boat behind it is light-colored, also with 'DONZI' written on its side. Both boats have a driver and a passenger.
